KALYETA

Kalyeta is a "caicco", a traditional turkish vessel built by mahogany which will make you live an unforgettable and relaxing holiday joining together the antique charm of an "ancient vessel" with the functionality of a

modern boat.

Although still keeping the old atmosphere, today Kalyeta offers to its welcome guests six comfortable double bed cabins provided with air-conditioned, en-suite bathroom and shower together with every confort and accurate services.

The stern and the bow provided with large and soft cushions are ideal for our guests who wish to enjoy very relaxing moments only just lying down to look at the amazing landscapes in the glittering sunlight caressed by the sea breeze or simply to sunbathe.

All the services that Kalyeta can offer you joined with an accurate and discreet hospitality will really make your stay on it a very magic holiday.

Kalyeta means to relax but it will give you the opportunity to practice sports activities such as: diving, snorkelling and excursions on the islands if and when you wish. Even though Kalyeta doesn't have all diving equipment on board, all the under water activities will be arranged together with a diving centre which will offer you need to practice this sport in complete safety.

Your holiday on Kalyeta will be complete and you will be satisfied even with our wonderful cuisine.

Let our chef make you get crazy about our food!

On kalyeta you 'll enjoy delicious recipes based on the matching of different genres where everything is genuine and fresh and where all the ingredients are accurately selected to satisfy all the guests likes. Everything served with selected wines.

Hour chef will prepare you a different menu every day and your own request of particular food will be satisfied.

You'll enjoy your meals ,facing the wonderful sea, at your dinner table.
